Who was Consulted

The Neighbourhood Plan committee was invited to talk at a regular meeting of the Gardening Club. A total of 28 people attended the meeting. the majority came from the Parish
The attendees were made up of the following age groups:
Mainly over 64 = 28

How people were consulted

Chairman of the Neighbourhood Plan committee addressed the meeting which described the aims and objectives of the committee. He asked if everyone had received a leaflet and distributed leaflets to those who needed one. Attendees were urged to return the response forms.

The Chairman of the NP Committee was in attendance

Issues, priorities and concerns raised

On the day the Chairman gave a briefing and asked for club members to return their response forms. There was no time for questions as the club had another speaker and other business to conduct.

How the issues, priorities and concerns will be considered

Return of ideas and issues were encouraged via the response forms, all of which would be put forward for further consideration.
